Madam:

Our company Sunley Technology Corporation is interested in establishing IT, Broadcasting and Telecommunication Equipment project inside the Globe Telecom, Inc. / Innove Communication Inc. zone.

We would like to express the interest of our company to enter and renew our partnership with your organization in order to provide telecom and broadband services. It would be profitable if both the organizations will be helping each other to do the business as partner.

Sunley Technology Corporation have been specializing in telecom business for more than almost two decades and with a wide range of telecommunication products to choose from at a high quality and very competitive price among local markets.

Those years of business experienced and our outstanding relationships with key principals who are acknowledged leaders in their technology fields plus the help or local people who have an expertise in their fields are our best tools to make our business relationships more profitable and successful.

Sunley Technology Corporation is now one of the Philippines leading solution providers in the telecommunications, utility, broadcast and IT Industries. We attribute our success in providing excellent product range, timely customer service, extensive marketing support, and continuous product research. Your organization provides excellent telecom network to the consumers. I believe that if we join hands together we would be able to have monopoly in the market. I am sure that your team of technical experts would be able to help us to provide better service to the customers.

We enclose with this Letter of Intent a copy of prerequisite requirements needed to proceed the renewal of our partnership as requested. Please see other documents attached.

We are prepared to submit other documents which you may require as part of the evaluation process.

We look forward to your favorable consideration.

Very truly yours,

  
**JOANNE SUPELANA WHITWORTH**  
President
